BATHROOM REMODEL CHECKLIST

LET'S GET STARTED

If you are planning to remodel your bathroom, having a checklist of what you need to do beforehand is imperative. This tool will help you tackle your bathroom remodel project by helping you select your finishes and ideas, as well as create a timeline and a realistic budget. Use this checklist to get started and share this with us when you are ready to begin.

PLANNING

Check off the tasks below as you complete them.

- Identify Goals and Prioritize
- Set a Budget
- Choose a Style and Design
- Select Colors, etc.
- Know Family Schedules
- Setup Temporary Bathrom

BUDGET

Once you've selected your options, use this as a resource to help stay within your selected budget.
